One subscriber, one month.

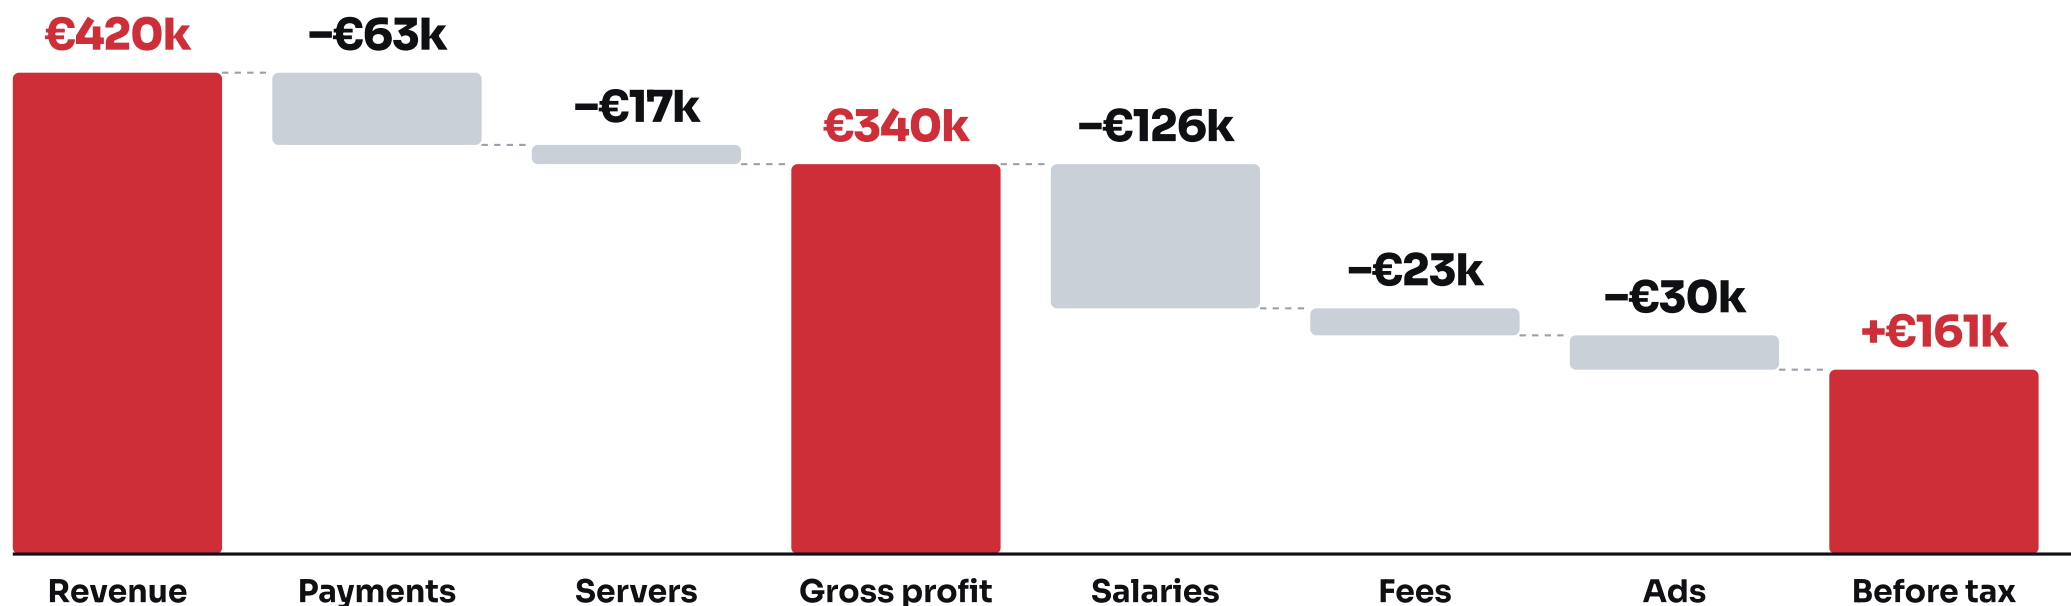

Where that gets us.

Three in four come from a creator. TikTok and Instagram bring the rest.

Where every euro goes.

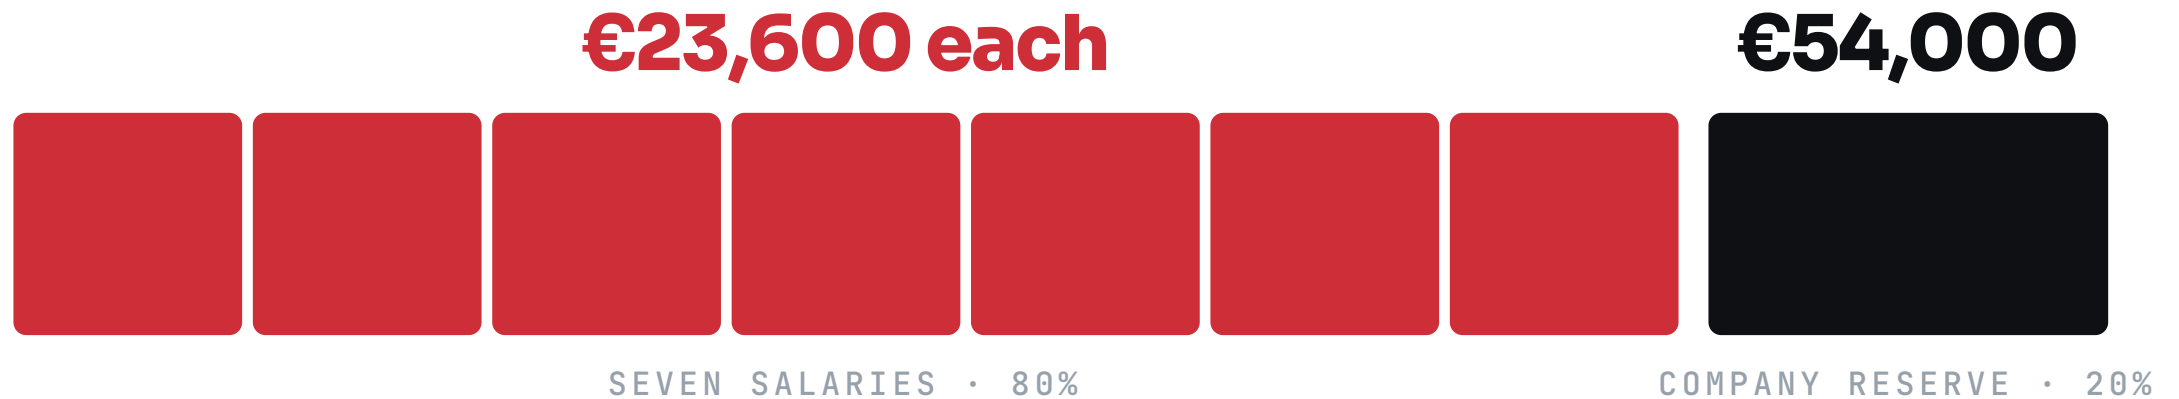

Year three, a full twelve months. 3,500 subscribers, each paying €10 a month.

The other two years: +€13k in year one, +€16k in year two.

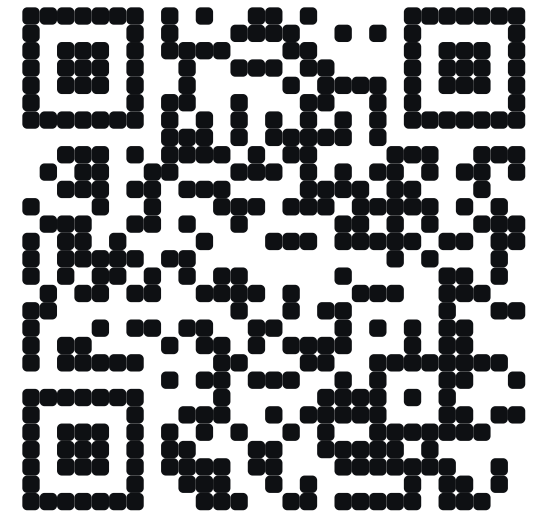

What the profit is for.

Year three, the same €420k. All seven of us on payroll.

Seven people paid, and next year funded. That is what the €161k buys.

You bring the passion.
We bring the plan.
