

HEAFT

Your coach. Every set.

An AI coach that plans your week, runs the session with you, and adapts to what you actually lifted.

HEAD OF COMMUNITY

The first users, the gym floor, the feedback loop.

Tickets, sprints, specs, code review, deploys. A real product team.

Two people. **One problem.**

THE BEGINNER

are gone before month three

No plan. Exercises copied off a screen, one at a time.

THE EXPERIENCED LIFTER

4 places

to find out if it is working

A notebook, an app, a spreadsheet and a memory.

The same missing thing

a coach — and a trainer costs €200 a month

Neither of them needs another tracker. They need somebody telling them what to do next.

Tell it your goal. **It coaches the rest.**

A tracker records the past. A plan writes the future once. Only a coach does the loop.

Everyone else picked **a side.**

Cheap apps stop at a plan. Real coaching costs €200. Nobody is doing both — that gap is the company.

€3B in Europe. €6M is ours.

Five per cent of a single year of Spanish beginners. Not a share of the market — a slice of one cohort.

It is built. This is it running.

iOS and Android, live today. Plans, live sessions, nutrition targets and a weekly league — not a prototype.

We asked three people. **Then we changed it.**

partnerships once the first two work — not in any number on this deck

Social buys attention. Creators lend credibility. Only one of those two can be bought, which is why the other is a partnership.

The 15% is not a guess — it is the published store rate below a million dollars a year. Above that it becomes 30%, and we will have a different problem.

Three years, in euros.

		YEAR 1	YEAR 2	YEAR 3
1	Creators signed	10	40	120

Churn is the number that decides this. We model 3% a month — the category average is 7.2% and the top quartile 2.0%. A coach you talk to every session is a retention product. No tax calculated.

Where every euro goes.

Year three, twelve months. Seven salaries of €23,600 each.

A fifth stays in the company for what we build next.

You bring the passion.
We bring the plan.
